

## Post-Simulation Survey

**For Facilitators:** In the weeks following the simulation, Reviewers should also be sent the Post-Simulation Survey to evaluate the utility and effectiveness of the simulation. Please note that the feedback provided should be anonymous and that the results of the survey should be amalgamated and shared with CIHR and the participants of the program. Please remove or replace any highlighted placeholder or instructional text, such as this, with the appropriate information.

**Instructions:** This survey is to be completed by participants of the Mock Review Simulation following the Committee meeting. The Post-Simulation Survey seeks to assess the effectiveness of the CIHR Mock Review Toolkit. Please note that the feedback provided will be anonymous and that the results of the survey will be amalgamated and shared with CIHR and the participants of the program.

### Your feedback matters

The following survey seeks to assess the effectiveness of the CIHR Mock Review Toolkit. Please take a moment to reflect on the training materials, committee meeting(s) and your overall experience in the program.

Please note that the feedback provided is anonymous and that the results of the survey will be amalgamated and shared with CIHR and the participants of the program. The deadline to complete the survey is **[insert date]**.
