

Tri-Agency Open Access Policy on Publications

What is Open Access?

Free and unrestricted online access to research publications and data.

What are the benefits?

More exposure for your work

Knowledge users can apply your findings

Higher citation rates

Compliant with grant rules

The public can access your findings

Researchers in developing countries can see your work

Your research can influence policy

Taxpayers get value for money

What is required of Tri-Agency funded researchers?

Ensure that peer-reviewed journal publications arising from Tri-Agency supported research are freely available within 12 months of publication by...

and/or

Depositing manuscripts in an institutional or disciplinary repository.

Publishing in an Open Access journal.

Remember to acknowledge funding support.

In addition, CIHR-funded researchers must:

■ Deposit certain types of data in a public database.

■ Keep data sets for 5 years.
